Let's Go To Church

Jesus said, “Upon this rock will I build my church and the gates of hell shall not prevail against it.” Every saved person is part of that church and part of that body. The Lord has so fixed it that we need each other. We will draw strength, courage, and divine healing for our souls by our church attendance.

1. The Fire of Fellowship

A coal of fire drawn aside to itself will soon die from lack of heat, but will live and glow when brought into contact with others. When we gather together in the house of God, we encourage each other

2. The Fortress of Friendship

It is an awful thing to be friendless and alone., especially when you are in trouble or in a strange place. There are no friends like the people of God.

3. The Following of Jesus is Joy

At church we learn to follow Jesus and find direction and guidance for our lives. Lets go to church! At church we find peace and joy for our innermost being.
